FOR IMMEDIATE RELEASE – JULY 10th, 2017

The Belleville Senators announce their historic first game and inaugural season home opener

The Belleville Senators are set to embark on their inaugural season. In doing so, we will welcome professional hockey to the Bay of Quinte community for the first time ever. This historic juncture in time commences with the release of the 2017-2018 American Hockey League schedule, of which we are excited to announce both our season and home opening games today.

The team will take the ice for the first time on October 6th, 2017, as they face le Rocket de Laval in what will be their own debut upon relocation to Quebec from St. Johns, Newfoundland. The game will take place at 7:30PM in the newly constructed Place Bell arena. We encourage fans to travel and help us cement history!

The Belleville Senators will return to the Bay of Quinte to play their first home game on November 1st, 2017. Taking on the defending Eastern Conference Champion Syracuse Crunch, the game will begin at 7:00PM in the entirely renovated Yardmen Arena. The occasion will launch a legacy of professional hockey in the area!

“We are tremendously excited to be bringing the American Hockey League to the great hockey fans throughout the Bay of Quinte region,” said Belleville Senators owner Eugene Melnyk. “I cannot wait until November 1st when we open up the beautifully remodeled Yardmen Arena and play our first home game.”

“Starting our time as a franchise against the top development club for the Montreal Canadiens and helping le Rocket de Laval open up their new facility will also be a great experience. Great days are ahead for Bay of Quinte hockey fans!”
